### *Internship Openings in Washington, D.C. and Kansas Offices*

Washington, D.C. - Congressman Jerry Moran today announced that he is accepting applications for Congressional internships in the Washington, D.C., Hays and Hutchinson offices for the 2004 school year. Intern responsibilities include assisting Congressman Moran and his staff with legislative and administrative projects.

The goal of the Congressional internship is to give young adults the opportunity to participate in the field of public service. Applications are due by July 1, 2004 for fall internships, and by November 1, 2004 for spring internships.

To apply for an internship, students should submit the completed application form, cover letter, résumé, college transcript and three letters of reference. The cover letter should explain their interest in the internship and the goals they hope to obtain from participation.

Applications can be obtained online at: [www.house.gov/moranks01/internweb.htm](http://www.house.gov/moranks01/internweb.htm) or by calling (202) 225-2715. In order to ensure timely receipt of the application, students are encouraged to fax their applications to (202) 225-5124. If students are unable to fax their applications, they may mail them to Congressman Moran's Hutchinson office, Attn: Intern Coordinator, P.O. Box 1128, Hutchinson, KS 67504.

"My own interest in public service started with a Congressional internship in Washington in 1974," Moran said. "My hope is that students are able to gain skills and learn more about our government, which they can take back and utilize in their communities."
